

Ingersoll Rand Forklift Parts

Ingersoll Rand offers services, products and solutions so as to ensure efficiency and increase the productivity in industrial, commercial and residential surroundings. They pride themselves in providing products in order to improve the health, safety, comfort and security of people around the world through their four international segments.

The Climate Solutions sector delivers a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a maker of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, building and contracting [forklift parts](#) support, advanced controls and services utilized for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand offers products and solutions in order to improve operations, energy efficiency and productivity for their clients. The range of products in their line include: pumps and tools, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in golf and utility vehicles intended for businesses and individuals.

Recognized trade names like for example Schlage and Trane compromise the Residential Solutions business, delivering safety, efficiency and comfort to home owners all over North America. Several of their innovative quality products comprise mechanical and electronic locks, indoor air quality solutions, air conditioning and heating systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies provide products that ensure secure, safe and productive surroundings. This division's market leading products consist of door and floor closers, portable security devices, exit devices, electronic and biometric access control systems, cabinet hardware, steel frames and locks and doors, decorative hardware and locksets. Well-known brands like for example Schlage likewise provide attendance, personal and time scheduling systems.
