

## Trek Parts

TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over sixty years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to providing new design concepts and top quality so as to meet the diverse needs of their clients.

TREK Cleaning Machines continually offers fresh design concepts as shown in their product development. They like providing products which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' needs and skills combined with their understanding of cleaning applications, along with owners' strong desire to significantly lower cost through productivity gains.

The workers at TREK and their dealer-partners are really devoted to having both technical support and parts available when it is needed. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning machinery ready and working everyday is top priority. The company's top of the line technology delivers dependable equipment that ultimately lowers your cleaning cost. The product, the price and the service all work together to make them an industry leader.
