

## Fork Mounted Sweepers

This [parts](#) attachment really makes industrial sweeping work much easier to accomplish. The versatile lift truck mounted broom is meant for use with either dry or wet material clean ups. It can push snow and squeegee water with ease. This attachment is normally used in order to clean trash from warehouses, construction sites, docks, parking lots and nearly anyplace it is required. The forklift sweeper is a low maintenance accessory which uses quick-tite blade products to effortlessly connect to the forklift.
